

Welcome to CampusGrotto

Here is a current list of features offered at CampusGrotto:

- College Blog

A College related blog that offers tips, advice, and news all relating to college and college students.

- College Scholarships Search and apply for scholarships

- Job Search Search and apply for jobs

- College Sports

College Sports is a big part of college tradition. Our sports writers provide news and stories.

- Campus News

Stay up to date with all the latest news related to your campus.

- Interactive Map Search

Each College has its own Interactive Map, based around the AJAX technology, where one can search for anything on or around campus by entering a query into the search box.

- Student Blogs

We offer blogs, that are grouped by your specific college.

These are just some of the great features we currently have, and there are more on the way!
